

360 FINANCIAL
SOLUTIONS

OUR CLIENTS ARE

**OUR
TOP PRIORITY**

THEY DESERVE NOTHING LESS THAN THE BEST

Welcome

Proper Guidance. Smarter Decisions. Better Outcomes.

360 Financial Solutions is one of the leading financial solution providers. We offer our clients a wide array of services and specialist skills. Our client feedbacks are a testament to our hard work and the ability to create and sustain relations with our clients in the long-term.

360 Financial Solutions is not only a service provider but a dedicated partner for your business's healthy bookkeeping, accounting, payroll processing, auditing, and taxation services. 360 Financial Solutions has a team of humble and hardworking competent professionals who can take your accounting and auditing tasks to a whole new level. Given the precision and effective solutions offered by the company, it proudly stands as the backbone of finance teams of 3500+ multinational clients spread across different parts of the world.

Mission

Our mission is to work with integrity and dedication in providing our clients with top quality financial solutions and services.

Vision

We want to offer the best quality services and help our clients achieve their business goals.

Values

We believe in conducting our work with honesty & integrity, and diligence. Moreover, we believe in building a relationship with our clients and assisting them in easing their financial management issues. Our team at 360 Financial Solutions not only embodies the aforementioned values but also love what they do.

An Experienced Team

The accountants at 360 Financial Solutions have years of experience working, in general, practice and have knowledge of wide range of accounting-related services for businesses. The little things do count. Our knowledge and attention to detail work together to create a comprehensive service. We will always try to ensure that the service that we deliver is perceived as being value for money.

WHY CHOOSE 360 FINANCIAL SOLUTIONS?

■ Skilled & efficient team

Our technical knowledge will improve your company's financial records and reporting. Moreover, our team will provide your business with the luxury of time-saving and efficient organization.

■ Trust us with the numbers

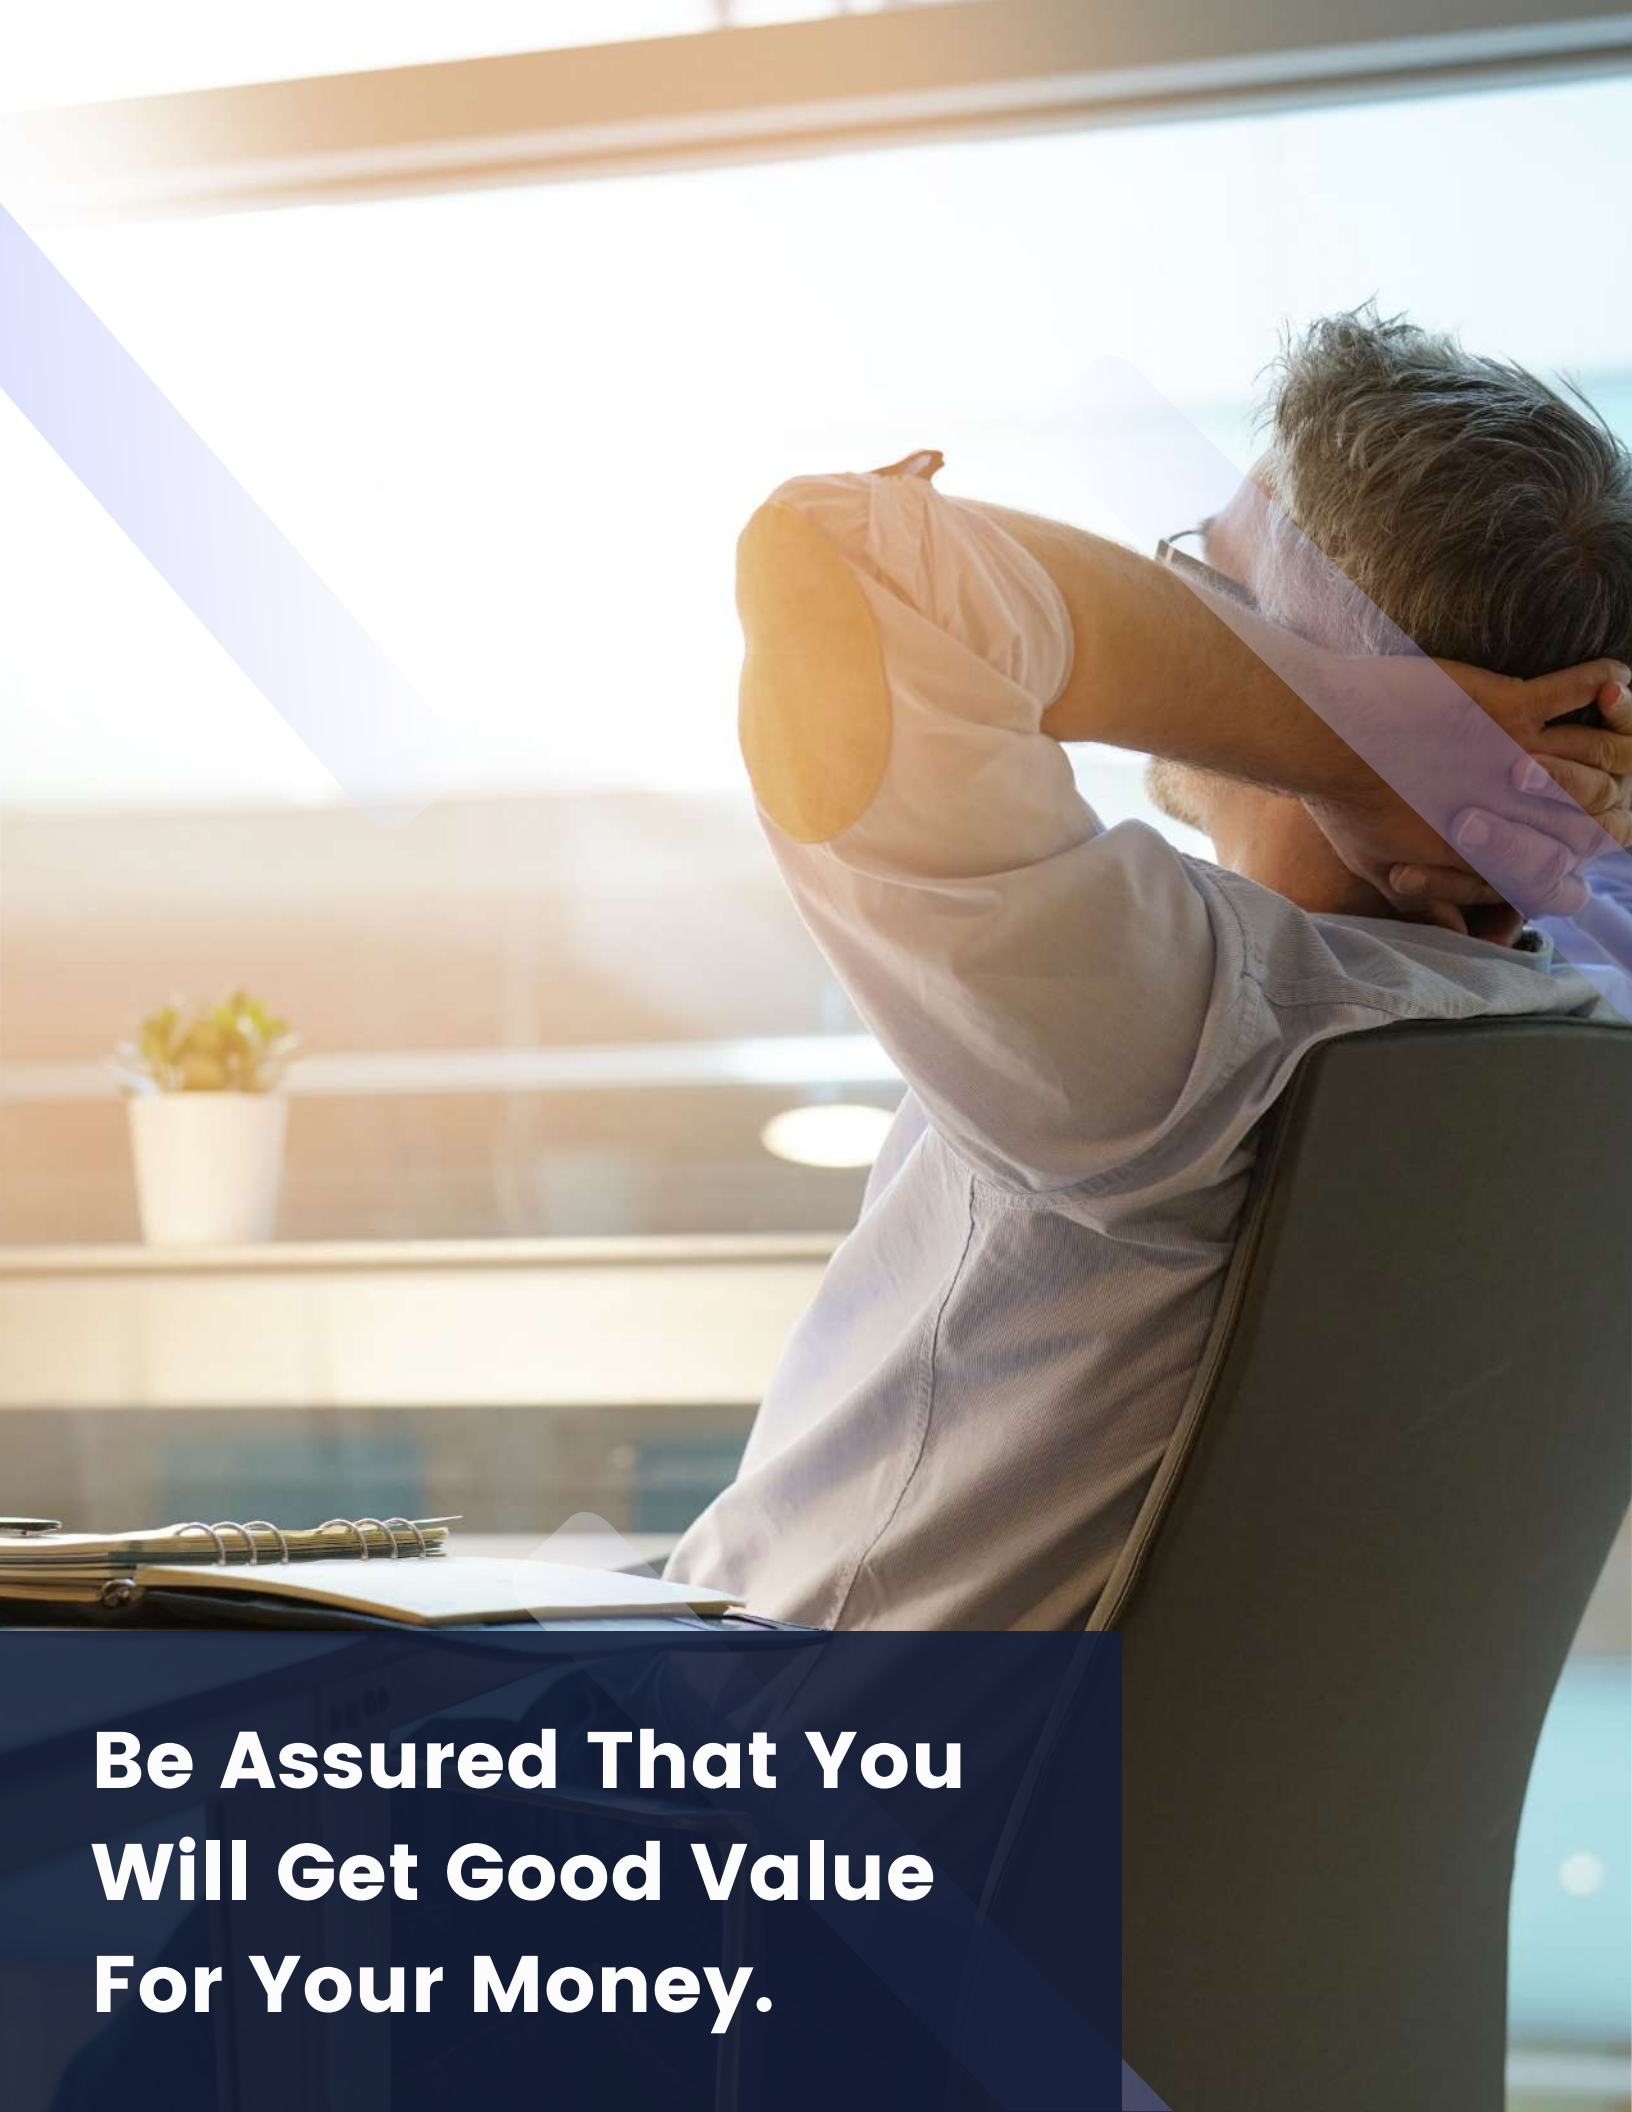

Successfully providing the best service for decades. By choosing to work with us, you will have more time to focus on making your business successful rather than focusing on numbers. Leave that to us!

■ Reliable Advisor

Precise and prompt financial data will keep you ahead of the curve. Our trustworthy team of experienced professionals navigate the complex world of taxation and make your life a lot easier.

■ Experienced In Various Industries

We take care of it all, no matter what industry you are in. Get professional, personalized accounting solutions on your terms and streamline your finances.

**Be Assured That You
Will Get Good Value
For Your Money.**

Our Services

At the foundation of 360 Financial Solutions lies a set of values based around working closely with our clients and helping their business become more successful. We are experts in providing online accounting solutions because we have a skilled team of certified public accountants who are able to provide tactical and prompt financial solutions for your business. We can help you budget accurately, prepare you for tax returns and set your business targets accordingly.

Payroll Management

Are you facing trouble paying your employees on time? Having difficulty calculating monthly or annual bonuses or increments for your staff? 360 Financial Solutions is here to provide hassle-free payroll management solutions. Our expert team would effectively ease your payroll stress within the given time frame.

Customized management Reporting

Do you need to keep proper track of your accounts? Looking for forensic auditors for your firm? Or in need of project accounting services? Look no further because 360 Financial Solutions provides customized management reporting services including catch-up bookkeeping, forensic audit, and project accounting for your business.

Tax Filing

We offer individually tailored solutions for your tax requirements while staying compliant with the tax filing laws. At 360 Financial Solutions, we are ahead of the game and up to date with new statutory laws and practices. Our skilled and diverse team is able to provide our clients with a simple and seamless experience with their tax obligations

Our accounting services cover all areas of tax-related services, be it income tax, sales tax, service tax or facilitating registration. Over the years, we have built a relationship based on trust with our clients.

CFO Services

Our CFO service will start by gaining a clear understanding of your goals. They'll help you develop a strong plan that includes analysis, projection, and tools for implementation. 360 Financial solutions would provide your business with the services of an outsourced CFO who can review your team and make sure your financial records are accurate.

Book Keeping

Our bookkeeping services pave a way for your business to function smoothly and successfully. Our team will maintain and manage your books and ledgers perfectly. You will be provided with one-on-one support from our qualified team members. Our team will set you up, do your bookkeeping and provide you with 24/7 assistance.
